

Tuesday--June 19th

MAP / Eagle Automotive of Bloomington

**Power Steering Technology**

This seminar will cover some of the electric power steering systems found today. Including the components and operation, diagnostics and servicing these electric power steering systems. Even though electric power steering technology is expanding into more vehicles, let us not forget that many vehicles on the road still have hydraulic power steering. Additionally, some unique features of new technology found in electronically enhanced hydraulic systems, as well as diagnostic and service tips will be discussed

Food provided at 5:30pm      **Meeting starts at 6:00pm**

Location: 926 E Lincoln, Bloomington IL
