at ACDelco GM Training Center

4407 Meramec Bottom Road – Just East of I-55

Next Generation GM Diesel Engines

This course prepares technicians to diagnose and service the new generation of diesel engines from General Motors, including the 1.6L offered in the Chevrolet Cruze, the 2.8L offered in the Chevrolet Colorado and GMC Canyon, and the 6.6L offered in the Chevrolet Silverado and GMC Sierra. Topics will include unique features, maintenance procedures, documented service concerns, and special service tools for each next generation diesel engine covered

Please call 314-544-9191 for reservations by **May 7th**
