**Power Steering Technology –  
“Is EPS steering you in the wrong direction?”**

This seminar will cover some of the electric power steering systems found today. Including the components and operation, diagnostics and servicing these electric power steering systems. Even though electric power steering technology is expanding into more vehicles, let us not forget that many vehicles on the road still have hydraulic power steering.

**Please call 314-544-9191 for reservations by March 5th  
Limit to first 30 Technician's**

Food provided at 5:30 P.M.      Meeting starting at 6:00 P.M.
